

Research Fellowship Programme Guidelines

Fellowship Requirements

Submission of monograph

- At the end of the fellowship period, the Fellow shall submit a monograph based on the research project. The monograph will be published by the Academy subject to its quality, which would be assessed by an independent referee nominated by the Academy. Copyright of the monograph will vest in LBSNAA.
- Research should preferably be based on secondary sources.
- There will be a quarterly presentation of the progress before the Academic Council of the Academy. Continuation of the fellowship will be subject to satisfactory progress. Fellows can simultaneously pursue other academic/professional assignments as long as these do not interfere with the research work of the fellowship.
- LBSNAA will have full rights to use the contents of the monograph submitted by the Research Fellow for academic/ training purpose.

Enriching the academic environment of LBSNAA

- Fellows would be expected to contribute to the academic environment of the academy by their involvement in the Academic Council and assisting in the design and delivery of training programmes, workshops and conferences organized by the Academy.
